

EAIC**European Agency of Inspecting and Certification****Notified Body 2702****Application for Marine Equipment Certification**

We, the undersigned, hereby request Inspection Body for a conformity assessment of the below described product according to the requirements of the Council Directive 2014/90/Eu on marine equipment.

Applicant's Data			
Applicant is:			
Manufacturer's name:			
Address			
Applicant's name:			
Position:			
Telephone:			
E-mail:			
Webpage:			
Marine equipment data:			
Product name:			
Product type and designation:			
MED number	MED		
Chosen assessment module:	B + D	B + F	G
<i>B - EC-type examination</i>			
<i>D - Conformity to type based on quality assurance of the production process</i>			
<i>F - Conformity to type based on product verification</i>			
<i>G - Conformity based on unit verification</i>			

List of technical and quality system documentation submitted for product conformity assessment.

The technical documentation shall, wherever applicable, contain at least the following elements: a general description of the product, conceptual design and manufacturing drawings and schemes of components, sub-assemblies, circuits, etc., descriptions and explanations necessary for the understanding of those drawings and schemes and the operation of the product, a list of the harmonised standards and/or other relevant technical specifications, applied in full or in part, and descriptions of the solutions adopted to meet the essential requirements of the legislative instrument where those harmonised standards have not been applied. In the event of partly applied harmonised standards, the technical documentation shall specify the parts which have been applied, results of design calculations made, examinations carried out, etc., and test reports. Quality system documentation shall as minimum include Quality manual, inspection controls records, testing data and calibration, relevant personnel qualification records.

Application for marine equipment certification

Manufacturer's Declaration
We hereby declare that the same application was not filed simultaneously with any other Notified Bodies. The information in this application is correct. We guarantee payment for the services of the Certification Body. We undertake to provide all the conditions necessary for conducting a conformity assessment in accordance with the requirements of the Certification Body, including compliance with safety rules. The requirements for the design and construction of the products referred to in the Directive 2014/90/EU are followed and harmonized standards (where applicable) are used.

If the applicant is an authorized representative, importer or distributor, provide a copy of the document confirming the applicant's rights to apply.

Planned place and date for certification:

Applicant's contact person:
